# Sachin Suresh

Actively looking for opportunities | Machine Learning Enthusiast |  
Becoming a 10x Software Developer | BITS-Pilani  
Bengaluru, Karnataka, India

## Summary

"Do one thing every day that scares you."

An engineering graduate from BITS-Pilani exploring the world of programming and software development. Fascinated about the modern day developments in the field of Computer Science especially Machine Learning and Artificial Intelligence. Currently learning Python, Django and ReactJS and on the path to become a 10x Software Developer. In the World's top 9000 ranks in Hackerrank Python proficiency. Elon Musk is an inspiration. Writes poems too.

---

## Experience

### Xenon Automotive

Intern

March 2019 - August 2019 (6 months)

Bengaluru Area, India

- Worked with a Deep Learning based product to identify damages associated with cars.
- These damages were classified based on its type and annotated accordingly.
- Based on the type of damage, repair/replacement costs were assigned and total cost after repair was estimated.

### UST Global

Intern

January 2018 - June 2018 (6 months)

Thiruvananthapuram Area, India

- Worked on a Data Science innovation project.
- The solution was developed using Machine Learning and Neural Networks.
- The use cases were presented before a number of clients from various companies.

HLL LIFECARE LIMITED

## Intern

May 2017 - July 2017 (3 months)

Thiruvananthapuram, Kerala, India

- An Organisation study was conducted.
- A research on water consumption and waste water disposal system were carried out.
- A report on findings and suggestions to counter the problems was submitted.

## HelpAge India

### Intern

May 2016 - July 2016 (3 months)

Kochi

- Organised awareness events in association with HelpAge India.
- Directed and shot a reaction video.
- A detailed survey was conducted in the city of Ernakulam and findings were published in a report.

---

## Education

Birla Institute of Technology and Science, Pilani

Bachelor of Engineering, Mechanical Engineering · (2014 - 2018)

Chinmaya Vidyalaya

· (2010 - 2013)

St Thomas Central School

· (1999 - 2010)
